Just an update – I think Shaun has taken Darlene under his wing. We'll try to keep track as well.

Absolutely, but I'm thinking she's feeling left out of meetings that I don't know about – meetings happening up there besides the public meeting. So meetings with local officials that she could attend. If you can just get me the meeting info, I can pretty it up and get it to her.

Thanks Cynthia. Hope you're doing alright.

Sorry, should have sent this to you as well. Cc'ing Nat as he will be there soon to help with liaison work.

Can one of you work with Darlene to get her invited to any local meetings that she can/should be attending? Or get me the lists/details and I'll work with her.

Thanks!

Hey there,

Are there meetings (not public meetings I'm assuming) that Darlene should be/can be included in? Can you either add her to your email list or just let me know and I can get her the info?

Thanks, Rebecca
